- ***Commencement of trading of shares is expected to be at 9.00 a.m. on 8 June 2017***

**Singapore, 7 June 2017** – Sanli Environmental Limited (“**Sanli**”, and together with its subsidiaries, the “**Group**”), an environmental engineering company in the field of water and waste management, received strong investor interest for its initial public offering (“**IPO**” or the “**Invitation**”) of 52,000,000 shares (“**New Shares**”) at S\$0.225 (“**Issue Price**”) each, in conjunction with its proposed listing on the Catalist Board of the Singapore Exchange Securities Trading Limited.

SAC Capital Private Limited (“**SAC Capital**”) is the Sponsor, Issue Manager, Underwriter and Placement Agent in connection with the IPO. SAC Capital will also be Sanli’s continuing sponsor following its listing on Catalist.

As at the close of the Invitation at 12.00 noon on 6 June 2017, there were 6,287 valid applications received for the 2,500,000 Offer Shares available to the public for subscription. In aggregate, these applicants applied for 625,428,000 Offer Shares, with application monies received amounting to approximately S\$140.7 million. Based on an aggregate of the 52,000,000 New Shares offered and the total valid applications received amounting to 667,228,000<sup>1</sup> New Shares, the Invitation was approximately 12.8 times subscribed.

Sanli's IPO is anchored by Vanda 1 Investments Pte. Ltd. ("**Vanda 1**"), ICH Gemini Asia Growth Fund Pte. Ltd. and Mr Jeremy Lee Sheng Poh. The aggregate gross proceeds raised from the anchor investors in relation to the Invitation were approximately S\$5.45 million.

Vanda 1 is managed by Heliconia Capital Management Pte. Ltd. ("**Heliconia**"), an investment company and a wholly-owned subsidiary of Temasek Holdings (Private) Limited. Vanda 1 has a shareholding of 7.97% in Sanli post-Invitation, an increase from its existing stake of 5.36%<sup>2</sup> as a Pre-IPO Investor. ICH Gemini Asia Growth Fund Pte. Ltd. is a private equity fund managed by ICH Gemini Pte. Ltd. Mr Jeremy Lee Sheng Poh is a private investor with many years of investment experience.

Commenting on the robust support for Sanli's IPO, Mr Sim Hock Heng, CEO of Sanli, said, "We are encouraged by the overwhelming support we have received from our institutional investors, including our anchor investors, and the investing public. This is testament to investors' faith in Sanli's robust track record and the bright prospects of the water industry. We look forward to bringing Sanli to its next level of growth with our new status as a listed company, and we are glad to have the investing public join us in this new chapter of our growth story."

---

<sup>1</sup> The 667,228,000 New Shares comprise 625,428,000 Offer Shares and 41,800,000 Placement Shares, and exclude the New Shares validly subscribed for by connected persons and the persons in Rules 424 and 428 of the Catalyst Rules.

<sup>2</sup> Based on a total number of 268,657,813 post-Invitation issued shares.

Net proceeds of approximately S\$9.72 million were raised from the Invitation. Sanli intends to utilise the net proceeds as working capital to expand business operations through securing more projects and projects of a larger scale, expansion of business premises and investment in a business development department.

Sanli's post-Invitation market capitalisation is expected to be approximately S\$60.4 million based on the Issue Price of S\$0.225.

The listing and trading of Sanli's shares is expected to commence on a "ready" basis at 9.00 a.m. on 8 June 2017.

### **About Sanli Environmental Limited**

Sanli Environmental Limited is an environmental engineering company with more than ten years of experience in the field of water and waste management. The Group's expertise is in the design, supply, delivery, installation, commissioning, maintenance, repair and overhaul of mechanical and electrical equipment as well as instrumentation and control systems in water and used water treatment plants, pumping stations and incineration plants. To date, Sanli has completed more than 1,000 water and waste management projects.

The Group's business is divided into two main business segments: Engineering, Procurement and Construction; and Operations and Maintenance.

Backed by its strong engineering capabilities, Sanli has the ability to integrate mechanical, electrical and process engineering expertise to provide customised, cost and time efficient integrated engineering solutions and services to its customers.
